SUPPORT

Don't go another year
of just talking about having
Plastic Membership Cards

Be pro-active now! Purchase your own printer
and take advantage of our Clubs NZ discount on
Plastic Card Printers so you can print cards on demand.

If we've got you thinking about the possibilities... Visit our dedicated
Plastic Card Printer website www.seatory.co.nz or have a chat with
Jordan – 09 416 9670.

If you don't think you'll get enough use from your own machine, we can still help you
by printing your cards for you with our onsite **Plastic Card Print Bureau**.

Not tech savvy? We don't just sell you a printer & leave you to it, our backup service of
trained technicians is on hand if you need help.

Plus it's easy to order more consumables online, receive the discount every time you
purchase at www.seatory.co.nz

Just in case you don't know us too well...

PMC Technology is a New Zealand Company that's a trusted, importer, agent and
supplier of technology products and consumables for many leading brands.

PMC encompasses a number of service-based businesses with over 38 years of
combined experience that are now part of the PMC Digital Group.

Our dedicated team of professionals are focused on creating positive and
valuable outcomes for our customers.
