No Player can enter both mixed and singles.

4. A suitable draw shall be done with a spread of Clubs in each section, and the number of entries will determine if one or more sections is required.
5. All games count as one point. (Wins 1, Loss Nil).
6. In case of a bye in the section, Win = 2 points.

With further sections – then the knockout draw may have to have some byes.

E.g. 6 players = 2 byes.

8. If in section play a draw still exists after A/ games won or B/ points the same, then the player who won against the other in the original section play will be declared the qualifier.
9. The Games Controller shall have the final say in any further rulings that are required.
10. The prize money shall be divided between all the events and down to 3<sup>rd</sup> place if possible.
11. The trophies are to remain with the host Club but if for any reason(s) the winners require to take them away, it will be up to the winners Club to ensure that they are returned in good condition, otherwise that Club will be held responsible for their repair or replacement.

Mini trophies will be awarded to winners.
