**Miniature trophies** – due to cost there were no trophies for 3<sup>rd</sup> place getters this year. There was a group discussion around the value of giving out miniature trophies now that numbers entering the tournament are significantly reduced. It was agreed that miniature trophies would no longer be handed out

moved James Blissett/Shane Cooper. All agreed.

**Singles draw:** this year the singles were run using a 6 player section which meant every player had to mark 2 games. Games were 35 minutes. The question was asked whether 35 minutes was too long now that there were markers for every game. The 35 minute time did not add to the length of the day. The group all agreed that the 6 player section and 35 minute games worked well and should be kept.

Moved by Kylie Gould/Cory Harnett and agreed by the delegates that this is how the singles should proceed going forward.

**General Discussion** – the chair of the meeting Peter Leggett talked about how we might get bowlers from other chartered clubs to participate. There was talk of the situation for Clubs Marlborough but

those players could affiliate with the chartered club in Picton if they wished to bowl at chartered events.

Dave Bullock reminded the group that the fours are usually played on Saturday and not the Sunday.

Congratulations given to Timaru Town and Country Club for running a successful tournament

Thanks expressed to Peter Leggett for stepping in to chair the meeting.

Meeting closed at 6.52pm.
