Attention Mr Brian Lacey

This note is to inform you and all the participants of our Clubs New Zealand Texas Hold'em Poker tournament that we have formally registered the theft of approximately \$4,000 with the Hawkes Bay police on or around 7<sup>th</sup> June 2023.

The staff and Board of Clubs New Zealand were gutted to hear of this, as not only was it not insured, it was clearly a breach of trust and must have been an act by someone who I believe was close to the event.

We are hoping you or any participant/member may assist with the finding of the offender. We have asked the Hawkes Bay Police to assist us as well.

I want to thank Jackie the Clubs manager and her staff for the great work they all did in for running a successful tournament. Also, Dave Dalton for giving up his time and attending the event on Clubs New Zealand's behalf.

Kind Regards

A handwritten signature in blue ink that reads "Larry Graham".
